

## CBTC Community Survey Results

In a survey that was distributed at community meetings and hosted online for over three months at [dcstreetcar.com](http://dcstreetcar.com), the DC Streetcar team solicited feedback on design elements of the CBTC. 164 residents filled out the survey. The results are as follows:

1. Is it desirable for the facility to...  
Be similar to the school?

26.5% 

Have a more traditional appearance?

46.9% 

Have a more contemporary appearance?

33.6% 

2. Should the building...  
Stand out and be a noticeable symbol of the DC Streetcar?

46% 

Blend in with the rest of the community?

54% 

3. Is the use of green architecture important to see in the building architecture?

Yes  
68.5% 

No  
31.5% 

4. Is the use of green architecture important to see in the landscape?

Yes  
68.2% 

No  
31.8% 

5. When considering a way to screen (or shield) public views of the streetcar storage area, would you prefer...

Using landscaping  
68% 

Using some sort of fencing  
5.4% 

Other  
26.5% 

6. Should the CBTC facility offer an observation area for school groups and others to learn about streetcars?

Yes  
72.7% 

No  
27.3% 

7. Should the CBTC facility provide a transparent facade to demonstrate what is going on inside the building? A transparent facade could include large windows or glass walls.

Yes  
28.3% 

No  
71.7%
