

Integrated Premium Transit System

Request for Qualifications (RFQ)

- Project focuses on an integrated approach to local transit services within the District of Columbia.
- Includes 22-mile priority streetcar system
 - Priority segments of the larger 37 system plan
- Includes local bus services:
 - Existing DC Circulator
 - Additional non-regional routes
- Seeking potential industry partners to assist DDOT in delivering the project.
- DDOT plans to release this RFQ in the very near future
